

DIPA BARUA

BACKEND DEVELOPER | BRAND MANAGEMENT | CLIENT COMMUNICATION

01309315669 | dipabarua44@gmail.com | Cumilla, Bangladesh | LinkedIn | Portfolio | [Facebook](#)

PROFESSIONAL SUMMARY

Final-year B.Sc. in CSE student with hands-on experience in backend development, structured data management, event coordination, branding, and cross-team collaboration. Skilled at organizing information accurately, communicating requirements clearly, maintaining records, and solving process-related issues. Comfortable working with student communities and technical teams, with practical experience in SQL, JSON, documentation, and database-driven systems. Seeking to apply these strengths in a Customer Relationship Officer role supporting students with clear information, timely follow-up, and reliable service.

EDUCATION

B.Sc. in Computer Science and Engineering (CSE) | Bangladesh Army International University of Science and Technology (BAIUST)

Expected Oct 2026

Academic period: Oct 2022 - Oct 2026 | Cumilla, Bangladesh

PROFESSIONAL EXPERIENCE

Backend Developer Intern | ElitWeb Solutions Ltd

Jul 2026 - Present

- Maintain backend modules and structured application data using Python, Django, SQL databases, and JSON, with attention to data accuracy and workflow requirements.
- Collaborate with team members to understand requirements, communicate issue status, and implement practical solutions for application and process needs.
- Support troubleshooting and database operations, helping keep information organized, consistent, and usable across application workflows.

Software Engineer Intern | BAIUST Computer Club

Jul 2025 - Dec 2025

- Supported development and maintenance of database-driven application modules while following defined business and technical requirements.
- Worked with structured records and backend functionality, strengthening accuracy, task follow-through, and team-based problem solving.

LEADERSHIP & STUDENT ENGAGEMENT

Vice President - Brand Management | BAIUST Computer Club

Dec 2025 - Present

- Lead branding, promotions, and digital campaigns for club events, coordinating messages and activities with student teams.
- Contribute to event communication and student engagement, helping present information clearly and consistently across club initiatives.
- Support student engagement by helping communicate event information, schedules, and updates clearly.

Assistant Organizing Secretary | BAIUST Computer Club

Jul 2025 - Oct 2025

- Coordinated technical events and supported event logistics and operational activities.
- Communicated schedules, requirements, and activity updates with participants and team members.
- Assisted with participant coordination and event-related queries..

Webmaster | IEEE BAIUST Student Branch

Dec 2025 - June 2025

- Coordinated technical events and managed event logistics, including communication of schedules, requirements, and activity updates.

Executive Member | BAIUST Robotics Club

April 2023 - Oct 2023

- Coordinated technical events and managed event logistics, including communication of schedules, requirements, and activity updates.
